Mystery Tour: many journeys to somewhere unexpected or secret. Does this sound like it can be a good time? We think so. This trip is for anyone who really wants to do something different. What will we be doing during these 5 days? Shhh! it's a secret. We will spend most of our time away from Dwight Mission. Come and join us for an endless amount of possibilities and adventure. You will receive a packing list and each morning will start with an orientation for the day's events.
